

BUILDING PEORIA 99th Avenue and Rose Garden Well Equipping Project

June 2009

Issue 1

24-Hour Construction Hotline: (602) 264-6416

It's Official

The City of Peoria awarded a contract to Felix Construction Company to equip the well site located south of Lake Pleasant Parkway and west of 99th Avenue. Improvements will include the installation of new well equipment, construction of a block wall and landscaping for the site.

The funding for this work was made possible through the Water Infrastructure Finance Authority (WIFA) of Arizona and the American Recovery and Reinvestment Act (ARRA) of 2009. This project will help put people back to work and potentially create new jobs.

The project will get underway in June; the effort is slated for completion in February 2010.

Traffic Restrictions

The work will take place on the well site therefore no traffic restrictions are anticipated. Please do not go into the construction work area until the project is completed for your safety and the safety of others. Thank you for your assistance and cooperation.

We're Here For You

If you have questions, concerns or need information about the project in your community, please call the 24-hour construction hotline at (602) 264-6416. We are here to answer your questions and assist you in any way that we can.

In addition, you can visit our website for construction updates at: peoriaaz.gov/buildingpeoria. For additional information about funding, visit the WIFA website at: azwifa.gov.
