CITY OF PEORIA, ARIZONA
COUNCIL COMMUNICATION

CC: 19C
Amend No. _____

Date Prepared: April 22, 2008 **Council Meeting Date: May 6, 2008**

TO: Terry L. Ellis, City Manager

FROM: David A. Moody, P.E., Engineering Director

THROUGH: Jamal Rahimi, P.E., City Traffic Engineer

PREPARED BY: Steve McKenzie, Transportation Planning Engineer

SUBJECT: Neighborhood Traffic Management Program (NTMP) Resolution

RECOMMENDATION:

That Mayor and Council have discussion and possible action to adopt Resolution No. 08-59 for the Neighborhood Traffic Management Program (NTMP) to establish one additional Residential Traffic Control Area as follows:

- Hacienda Del Sol – area bounded by Mountain View Road in the north, 67th Avenue in the east, Olive Avenue in the south, and 71st Avenue in the west.

SUMMARY:

On September 5, 2000, Council adopted Ordinance No. 00-118, first implementing the NTMP. The most recent revision to the NTMP Policy and City Code, Sections 14-77 and 14-78, was adopted by Council on May 16, 2006.

City Code, Sections 14-77 and 14-78, pertaining to the Neighborhood Traffic Management Program, allows Council to designate Residential Traffic Control Areas. The Residential Traffic Control Areas may be designated considering the following factors:

1. Volume and speed of traffic in the area.

2. The extent to which the traffic is transiting the area for other than local use or to avoid congested intersections.

CITY CLERK USE ONLY:
☐ **Consent Agenda**
☐ **Carry Over to Date:**_____
☐ **Approved**
☐ **Unfinished Business (Date heard previous:**_____**)**
☐ **New Business**

ORD. #_____ **RES. #** 08-59
LCON#_____ **LIC. #**
Action Date:

REV. 10/99

3. The extent to which the designation of the Residential Traffic Control Area will help alleviate traffic congestion, hazards to pedestrians, and related health and safety issues.

In areas designated as Residential Traffic Control Areas, the flow of traffic into, through and out of the area may be managed to reduce volume, non-local use, or speeding.

The NTMP has been in effect for over seven years. Currently, there are 68 neighborhood areas and two collector roadways that have been established as Residential Traffic Control Areas, as approved through resolutions by City Council. The next step in the NTMP process is for Mayor and Council to discuss and possible action to approve one resolution to establish the 69th Residential Traffic Control Area. This will allow the residents and Traffic Engineering Division staff to work together in the selection of appropriate traffic calming measures to improve the quality of life in their neighborhoods.

The resolution is attached for the following area:

- Hacienda Del Sol – area bounded by Mountain View Road in the north, 67th Avenue in the east, Olive Avenue in the south, and 71st Avenue in the west.

RESOLUTION NO. 08-59

A RESOLUTION OF THE MAYOR AND THE COUNCIL OF THE CITY OF PEORIA, MARICOPA COUNTY, ARIZONA AUTHORIZING THE ESTABLISHMENT OF A RESIDENTIAL TRAFFIC CONTROL AREA FOR THE HACIENDA DEL SOL NEIGHBORHOOD (AREA BOUNDED BY MOUNTAIN VIEW ROAD, 67TH AVENUE, OLIVE AVENUE, AND 71ST AVENUE.)

WHEREAS, Section 14-78 of the Peoria City Code (1992) authorizes the City Council to establish by resolution designated Residential Traffic Control Areas in which the Engineering Director or his designee may erect temporary and permanent traffic control devices, structures and improvements to regulate and restrict the flow of traffic into, through and out of the area; and

WHEREAS, pursuant to Section 14-78 of the Peoria City Code (1992) the Engineering Director of the City or his designee has evaluated the area attached as Exhibit "A" to this resolution and considered the volume of motor vehicle traffic; the extent of local traffic and avoidance of congested intersections and the use of designated residential traffic control areas to alleviate traffic congestion and has recommended the establishment of a Residential Traffic Control Area for the area designated on Exhibit "A" to this resolution.

NOW, THEREFORE, BE IT RESOLVED by the Mayor and Council of the City of Peoria, Arizona as follows:

Section 1. Establishment of Residential Traffic Control Area

(a) The Mayor and Council of the City of Peoria, Arizona, upon recommendation of the Engineering Director of the City, find and determine it to be in the public interest to establish a Residential Traffic Control Area for the area as set forth in Exhibit A attached to this Resolution

(b) That the Engineering Director of the City or his designee based on their professional engineering judgment are authorized to install such temporary and/or permanent traffic control devices, structures and improvements to regulate and restrict the flow of traffic into, through and out of the area designated on Exhibit "A" so as to reduce or redirect traffic volume, non local use, excessive speed and promote health and safety within the designated area.

(c) Nothing in this resolution shall be deemed to restrict the ability of the Engineering Director or his designee to modify the placement of, type of or use of a traffic control device within the Residential Traffic Control Area designated on Exhibit "A" attached to this resolution.

Section 2. Filing

(a) That the original of this resolution and exhibit shall be on file in the office of the City Clerk and that certified copies shall be placed on file in the Office of the City Attorney, Department of Engineering and Municipal Court for public inspection and judicial notice shall be taken of the passage of such resolutions and designation of areas.

PASSED AND ADOPTED by the City of Peoria, Arizona this 6th day of May, 2008
