

Dear Resident,

The City of Peoria makes every effort to communicate with its residents through a variety of outreach methods. We understand some receive City information from local newspapers and others prefer social media. To reach as many residents as possible, we do the following to try and make sure you are aware of **Solid Waste Collection** changes around the holidays.

- **Newspaper advertisements**
- **Press releases to local media**
- **Website – www.peoriaaz.gov/solidwaste**
- **Mailed annual holiday schedule (in utility bills Dec-Jan)**
- **City News E-blast – (must opt-in)**
- **Annual schedules are placed at both Libraries and City Hall**
- **Recorded message on customer service line**
- **City Facebook page - (must opt-in)**
- **City Twitter - (must opt-in)**
- **E-mails to HOA contacts and property managers**
- **Channel 11**

In addition to communicating via the above methods, please call **623-773-7160** with any questions regarding the holiday collection.

Please note - your collection day may move **forward or back** depending on the holiday.

We will continue to seek ways to extend our communication outreach into our community, but request your assistance as well to ensure collection. Please consider subscribing to one of the opt-in notifications above to receive City information.

Customer Service Line: 623-773-7160
