Rev 05/11

Inspectors are available from 6:30 am to 5:00 pm, Monday-Thursday

To request an inspection, call **(623) 773-7220**: When prompted, enter the PERMIT NUMBER and THE 3-DIGIT INSPECTION CODE (see table below). As the system states the various choices, press the appropriate number to respond and continue your requests or to end the call. Requests must be entered prior to 5:00 AM of the date the inspection is to be performed.

Any request to cancel an inspection for the same day must be done by contacting your inspector prior to 7:15 a.m. otherwise a reinspection fee and a day delay to reschedule the inspection will be applied.
