

Standard Operating Procedure COUNTY ISLAND SUBSCRIPTION SERVICES	PEORIA FIRE-MEDICAL DEPARTMENT Administration 100.03 Initial 06/01/2018 Page 1 of 1
---	---

PURPOSE

The City of Peoria, Arizona (Peoria) shall provide fire and emergency medical services to individual property owners in the Pinnacle Peak County Island area who annually pay a subscription for services.

POLICY

Peoria Fire-Medical Department units will be dispatched to residents who have subscribed to the Peoria Fire-Medical subscription services. The sole purpose of the subscription services is to provide fire and emergency medical services to individuals who, due to their residing outside of the City of Peoria, Arizona boundaries in the Pinnacle Peak County Island, would not otherwise be entitled to Peoria services.

Duration/Scope

Each subscription shall run for a period of one year from the effective date. If not renewed, the subscriber will be removed from the Automatic Aid System and placed back into the Rural Metro dispatch system.

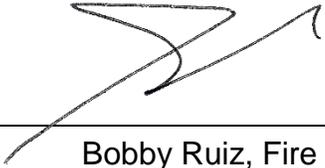

Response Criteria and Service Area

Each subscriber will be entered into the Automatic Aid System with Peoria Fire-Medical department as their first due for dispatch. With the acknowledgement from the subscriber that other responding units may be dispatched according to the nature of the call.

Transfer of Care

The patient will be transported to the closest appropriate medical facility when necessary. Ambulance and/or air transportation to the medical facility is not part of the subscription services and the subscriber will be billed separately for any transport services.
