	<b>Rev. 09/17/2019</b> <b>Page 1 of 1</b>

**Purpose**

This policy is to serve as an outline of the minimum qualifications and training required to operate our various apparatus other than our pumpers.

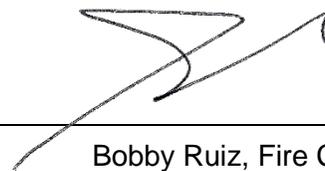

**Policy**

Operators must have a valid Arizona driver's license and have received the following training:

- Classroom on safe practices and operation of the water tender, brush truck, frontline and reserve ladders.
- Successfully demonstrate the ability to drive various apparatus safely on the open road
- Demonstrate the ability to pump, draft, dump the tank, and trouble shoot the tender, and set up and take down of our aerial ladders.

Successful operators will receive a certificate of completion to be placed in their training file.
