

The Peoria Community Center is inviting children ages 8-14 to join us for some adventures away from the Community Center. **Pre-registration is required. We must have at least 8 participants pre-registered at least two (2) days prior to field trip date so we can reserve the vans and let the venue know how many we are bringing.** If a field trip is cancelled (due to low registration) participants account will be credited toward a future trip. No cash refunds will be given. Transportation to and from the field trip will be provided by Peoria Community Center vans. **Permission slip IS REQUIRED for all off site trips that include walking or riding in the city vans.**
