Youth Advisory Board Year in Review

The background is a solid light blue color with a complex pattern of darker blue geometric shapes. These shapes include thick, rounded lines that form partial letters and symbols, as well as several parallel diagonal lines that create a sense of depth and movement. The overall aesthetic is modern and minimalist.

# Identity and Brand Initiative

## Current Identity

### See Yourself in Peoria

- Primarily developed for business attraction and tourism.
- Does not create a universal identity.

## New Initiative

### Tell the Story of Peoria

- Words and images have power.
- We are seeking words and images that tell the story of our city.
