Peoria, Arizona 85345

**PART FIVE – Application Specific Information**

Please review the following information and provide the required information for your specific application type.

- [ ] If this application is for a special event, enter the event date(s). Date(s): \_\_\_\_\_
- [ ] If your permit includes tents/canopies, your application must include the necessary site plan, anchoring plan and other documents.
- [ ] If your permit type is marked with an (\*), your application must include a Hazardous Materials Inventory Statement (HMIS).
- [ ] If your permit type is marked with an (\*\*), your application must include a site/floor plan.
- [ ] If your permit type is for a Fire Protection Contractor's Permit, your application must include all of the required documentation listed in the Fire Protection Contractor Guideline.

**PART SIX – Applicant Date, Signature and Printed Name:**

Date: \_\_\_\_\_ Applicant Signature: (X) \_\_\_\_\_

PRINT NAME: \_\_\_\_\_

By signing this application you are providing the Peoria Fire Department permission to inspect the facility listed in Part One under "Site Address" to verify compliance with the permit to be issued. Inspections are required per Peoria City Code section 9-33, subsection 104.3 to verify compliance with the Fire Code and for the mitigation of hazards.

All required documentation **MUST** be present with the completed application. Payment for the permit(s) to be processed is to be included with the application. Incomplete applications will be returned without a review being conducted. Review of the permit application and/or materials will not be conducted until the application is deemed complete. See Fire Department handouts for additional items that may be required for specific permit types. Submit check or money order payable to "City of Peoria" for full amount. **NOTE:** No cash or credit card payments can be accepted at the Fire Department.
