

BUILDING PEORIA Northern and 95th Avenue Trunk Sewer Repair Project

June 2009

Issue 1

24-Hour Construction Hotline: (602) 264-6416

It's Official

The City of Peoria is preparing to repair the existing sewer line in two locations:
1) Northern Avenue between 83rd and 99th Avenues and, 2) on 95th Avenue between Northern and Peoria Avenues. The funding for this work was made possible through the Water Infrastructure Finance Authority (WIFA) of Arizona and American Recovery and Reinvestment Act (ARRA) of 2009. These projects will help put people back to work and potentially create new jobs.

At times, the contractor may need to work 24-hours-a-day, seven days in week in order to complete the project on schedule. The projects will get underway in mid-June; the effort is slated for completion in fall 2009.

Traffic Restrictions

On Northern Avenue between 83rd and 99th Avenues:

Expect lane restrictions.

On 95th Avenue between Northern and Peoria Avenues:

When this portion of the construction gets underway, there is not enough room on 95th Avenue to safely maintain two-way traffic, equipment and workers. Therefore, Las Palmaritas Drive to El Caminito Drive will be closed to through traffic for approximately four weeks. As the contractor progresses north of El Caminito Drive, two-way traffic will be maintained; however, left turns will not be permitted. During the closure, 99th Avenue may be used as an alternate route.

Access always will be maintained for residents, businesses and emergency vehicles. Please allow yourself extra time to get where you are going as there may be traffic delays. In addition, do not move barricades or traffic signs as they are in place for your protection.

Safety Matters

Please do not go into the construction work area until the project is completed for your safety and the safety of others. Thank you for your assistance and cooperation.

We're Here For You

If you have questions, concerns or need information about the project in your community, please call the 24-hour construction hotline at (602) 264-6416. We are here to answer your questions and assist you in any way that we can. In addition, you can visit our web site for construction updates at: peoriaaz.gov/buildingpeoria or the WIFA web site at: azwifa.gov for additional information about funding.
