

Agua Fria Truck Road Reliever - Open House / Public Meeting

Project No. EN00271

The City of Peoria is planning to construct a new roadway for use by truck and local traffic along the Agua Fria River between the intersections of 112th Avenue & Rose Garden Lane and 107th Avenue & Pinnacle Peak Road. The new roadway will include a travel lane and paved shoulder in each direction, and a traffic signal at Pinnacle Peak Road & 107th Avenue. The primary purpose of the new roadway is to reduce existing truck traffic along Beardsley Road.

You are invited to attend an **Open House Public Meeting** to review the proposed improvements and provide your comments. Project exhibits and agency staff will be available at the meeting to answer your questions. No formal presentation will be given at this meeting. Meeting facilities are handicap accessible.
