

**CITY OF PEORIA, ARIZONA
COUNCIL COMMUNICATION**

CC: 24C
Amend No. _____

Date Prepared: June 26, 2007

Council Meeting Date: July 10, 2007

TO: Terry Ellis, City Manager
FROM:  David A. Moody, P. E., Engineering Director
THROUGH: Dan Nissen, P.E., Assistant City Engineer
PREPARED BY: Karl Zook, Associate Engineer 
SUBJECT: Proposed FY 2008 Annual Sidewalk Improvement Program, P-0802.

RECOMMENDATION:

That Mayor and Council approve the FY08 Annual Sidewalk Program consisting of sections of sidewalk on Olive Avenue, Thunderbird Road, Beardsley Road and 91st Avenue. Specific locations are summarized below.

SUMMARY:

This is the 7th year of the Annual Sidewalk Improvement Program for arterial streets. The list of recommended locations to be included in the FY08 Annual Sidewalk Program provided below was derived from an inventory of missing sections of sidewalks adjacent to areas which have been previously developed and no sidewalk was constructed or adjacent to vacant property where no sidewalk exists. In addition, the selection of the sections of sidewalk has been coordinated with the Public Works, Community Services Departments and Engineering Development Division.

A summary of the recommended locations to be included in the FY08 Annual Sidewalk Program is provided below.

Proposed FY08 Projects, P-0802

1. South side of Olive Avenue from the east side of the Fry's eastern most driveway to 89th Avenue. New handicap ramp will be installed at the southwest corner (SWC) of 89th Avenue. Sidewalk material will be concrete (565 LF).
2. East side of 91st Avenue between the SEC of Pinnacle Peak Road and the northeast corner (NEC) of Williams Road. New handicap ramps will be installed at the southeast (SEC) of Pinnacle Peak Road. Sidewalk material will be concrete (2533 LF). This section of sidewalk will be coordinated with the planned Maricopa County Department of Transportation (MCDOT) 91st Avenue and Pinnacle Peak Road intersection improvement project.
