

**CITY OF PEORIA, ARIZONA
COUNCIL COMMUNICATION**

CC: 7C
Amend No. _____

Date Prepared: March 3, 2008

Council Meeting Date: March 18, 2007

TO: Terrence L. Ellis, City Manager
FROM: J. P. de la Montaigne, Community Services Director J.P.
PREPARED BY: Jeff Sargent, Park Projects Administrator J.S.
SUBJECT: New River Trail: Northern Avenue to Olive Avenue

RECOMMENDATION:

That the Mayor and City Council approve Contract Amendment No. 4, LCON 05202D, with Aztec Engineering Inc. not to exceed the amount of \$65,960 to complete construction documents for the New River Trail segment between Northern Avenue and Olive Avenue. Funds are available in the New River Trail CIP Fund, Account No. 7920-7920-543005-CIPRT CS00065CO.

SUMMARY:

In the late 1990's, Staff applied for and received funding from the Arizona Department of Transportation (ADOT) through federally funded Transportation Efficiency Act and Congestion Mitigation Air Quality programs to design and construct a trail between Northern Avenue and Grand Avenue. Due to escalating costs over the time required to meet all federal requirements, the project had to be redefined as a trail between Olive Avenue and Grand Avenue. This segment of the project is now entering the construction stage.

The remaining segment between Olive and Northern was designed to 60% before being deleted from the federal project. The City is pursuing additional grant funding for the Northern to Olive segment and is requesting that Aztec complete the plans they started for the Northern to Olive segment as a stand-alone package. Doing so will give the City the flexibility to either construct the segment entirely with City funds or submit the drawing set through ADOT for federal review and acceptance. Specifications are not a part of the contract due to the fact that ADOT is changing its specification format, and if the City decides to construct the segment entirely with City funds, it would use the standard City specifications.
