

CABLE INSTALLATION AGREEMENT
February 13, 2001

1. Cox Communications agrees to provide one standard 200-foot connection and complimentary monthly basic cable service.
2. Any installation cost in excess of the 200-foot maximum, The City of Peoria agrees to pay the following additional costs to install cable:

Total Cost to Build Extension	\$5,284.00
Standard 200-foot Connection Costs (paid by Cox Communications)	\$400.00
Capital Contribution Required	\$4,884.00
3. Cox Communications will notify the City of Peoria to re-negotiate the agreement if any installation circumstances occur which may alter the capital contribution cost. (The City of Peoria has the option to cancel the project as a result of capital cost revisions.)
4. This agreement is valid for three (3) months effective from the date of this letter. A re-evaluation of costs is required if the agreement is not returned within the three-month time frame.
5. Once the signed agreement has been returned, the project is forwarded to Cox's engineering department for design. When the project has been completed, Cox Communications will invoice the City of Peoria for the amount which has been agreed upon.

We look forward to working with you. If you have questions or require additional information, please contact Gregg Merdick, 623-322-8022.
