Contractor's duty to defend, hold harmless and indemnify the City, its agents, representatives, officers, directors, officials and employees shall arise in connection with any claim, damage, loss or expense that is attributable to bodily injury, sickness, disease, death, or injury to, impairment, or destruction of property including loss of use resulting therefrom, caused by any acts, errors, mistakes, omissions, work or services in the performance of this Contract including any employee of the Contractor or any tier of subcontractor or any other person for whose acts, errors, mistakes, omissions, work or services the Contractor may be legally liable.

- b. Late performance by a subcontractor unless the delay arises out of a force majeure occurrence in accordance with this Force Majeure term and Condition.

Any delay or failure in performance by either party hereto shall not constitute default hereunder or give rise to any claim for damages or loss of anticipated profits if, and to the extent that such delay or failure is caused by force majeure. If either party is delayed at any time in the progress of the work by force majeure, then the delayed party shall notify the other party in writing of such delay within forty-eight (48) hours commencement thereof and shall specify the causes of such delay in such notice. Such notice shall be hand delivered or mailed *Certified-Return Receipt* and shall make a specific reference to this article, thereby invoking its provisions. The delayed party shall cause such delay to cease as soon as practicable and shall notify the other party in writing. 17. **Cancellation and Expiration Notice:** Insurance required herein shall not expire, be canceled, or materially changed without thirty (30) days prior written notice to the City.
18. **Evaluation:** In accordance with the City of Peoria Procurement Code, awards shall be made to the lowest responsible and responsive bidder whose bid conforms in all material respects to the Invitation For Bid.
19. **Manufacturer's Representative:** Dealers who submit an offer as a manufacturer's representative must supplement the offer with a letter from each manufacturer involved, certifying that the vendor is a bona fide dealer for the specific equipment presented, that the vendor is authorized to submit an offer on such equipment, and guarantees that should the dealer fail to satisfactorily fulfill any obligations established as a result of the anticipated contract awards, the manufacturer, upon assignment by the City, will either assume and discharge such obligations or provide for their competent assumption by one or more bona fide dealers for the balance of the contract period.
20. **Estimated Quantities:** This solicitation references quantities as a general indication of the needs of the City. The City anticipates considerable activity resulting from contracts that will be awarded as a result of this solicitation; however, the quantities shown are estimates only and the City reserves the right to increase or decrease any quantities actually acquired.

No commitment of any kind is made concerning quantities and that fact should be taken into consideration by each potential contractor.

The award of a contract shall be in accordance with the City of Peoria Procurement Code and all transactions and procedures required by the Code for public bidding have been complied with. A purchase order for the awarded material and/or service that cites the correct contract number is the only document required for the department to order and the contractor to delivery the material and/or service.

Any attempt to represent any material and/or service not specifically awarded as being under contract with the City of Peoria is a violation of the contract and the City of Peoria Procurement Code. Any such action is subject to the legal and contractual remedies available to the City inclusive of, but not limited to, contract cancellation, suspension and/or debarment of the contractor.
22. **Billing:** All billing notices to the City shall identify the specific item(s) being billed and the purchase order number. Items are to be identified by the name, model number, and/or serial number most applicable. Any purchase/delivery order issued by the requesting agency shall refer to the contract number resulting from this solicitation.
23. **Inventory:** The City of Peoria has an ongoing requirement for the material indicated in this solicitation. It is an express condition of any award that a contractor shall maintain a reasonable stock on hand for delivery to the requesting agency. Failure to maintain such a stock may result in cancellation.
24. **Licenses:** Contractor shall maintain in current status all Federal, State and Local licenses and permits required for the operation of the business conducted by the Contractor.
25. **Brand Names:** Any manufacturer's names, trade names, brand names or catalog numbers used in the specifications are for the purpose of describing and establishing the quality level, design and performance desired. Such references are not intended to limit or restrict bidding by other vendors but are intended to establish the quality, design or performance which is desired. Any offer which proposes like quality, design or performance will be considered.
