1. PREPARATION OF PROPOSAL:

- b. The Offer and Contract Award document (COP Form 203) shall be submitted with an original ink signature by a person authorized to sign the offer.
- c. Erasures, interlineations, or other modifications in the proposal shall be initialed in original ink by the authorized person signing the Vendor Offer.
- d. If price is a consideration and in case of error in the extension of prices in the proposal, the unit price shall govern. No proposal shall be altered, amended, or withdrawn after the specified proposal due date and time.
- e. Periods of time, stated as a number of days, shall be calendar days.
- f. It is the responsibility of all Offerors to examine the entire *Request For Proposal* package and seek clarification of any item or requirement that may not be clear and to check all responses for accuracy before submitting a bid. Negligence in preparing a Proposal confers no right of withdrawal after proposal due date and time.

2. INQUIRIES: Any question related to the *Request For Proposal* shall be directed to the Buyer whose name appears on the front. The Offeror shall not contact or ask questions of the department for which the requirement is being procured. Questions should be submitted in writing when time permits. The Buyer may require any and all questions be submitted in writing at the Buyer's sole discretion. Any correspondence related to a *Request For Proposal* should refer to the appropriate *Request For Proposal* number, page, and paragraph number. However, the Offeror shall not place the *Request For Proposal* number on the outside of any envelope containing questions since such an envelope may be identified as a sealed proposal and may not be opened until after the official *Request For Proposal* due date and time.

3. PROSPECTIVE OFFERORS CONFERENCE: A prospective offerors conference may be held. If scheduled, the date and time of this conference will be indicated on the cover page of this document. The purpose of this conference will be to clarify the contents of this *Request For Proposal* in order to prevent any misunderstanding of the City's position. Any doubt as to the requirements of this *Request For Proposal* or any apparent omission or discrepancy should be presented to the City at this conference. The City will then determine if any action is necessary and may issue a written amendment to the *Request for Proposal*. Oral statements or instructions will not constitute an amendment to this *Request for Proposal*.

4. LATE PROPOSALS: Late Proposals will not be considered, except as provided by the **City of Peoria Procurement Code**. A vendor submitting a late proposal shall be so notified.

5. WITHDRAWAL OF PROPOSAL: At any time prior to the specified proposal due date and time, a Vendor (or designated representative) may withdraw the proposal. Telegraphic (facsimile) or mailgram proposal withdrawals will not be considered.

6. AMENDMENT OF PROPOSAL: Receipt of a Solicitation Amendment (COP Form 207) shall be acknowledged by signing and returning the document prior to the specified proposal due date and time.

7. PAYMENT: The City will make every effort to process payment for the purchase of goods or services within thirty (30) calendar days after receipt of goods or services and a correct notice of amount due, unless a good faith dispute exists as to any obligation to pay all or a portion of the account. Any proposal that requires payment in less than thirty (30) calendar days shall not be considered.

8. NEW: All items shall be new, unless otherwise stated in the specifications.

9. DISCOUNTS: Payment discount periods will be computed from the date of receipt of material/service or correct invoice, whichever is later, to the date Buyer's payment is mailed. Unless freight and other charges are itemized, any discount provided will be taken on full amount of invoice. Payment discounts of thirty (30) calendar days or more will be deducted from the proposal price in determining the low bid. However, the Buyer shall be entitled to take advantage of any payment discount offered by the Vendor provided payment is made within the discount period.

10. TAXES: The City of Peoria is exempt from Federal Excise Tax, including the Federal Transportation Tax. Sales tax, if any, shall be indicated as a separate item.

11. VENDOR REGISTRATION: After the award of a contract, the successful Vendor shall have a completed Vendor Registration Form (COP Form 200) on file with the City of Peoria Materials Management Division.

12. AWARD OF CONTRACT:

- a. Unless the Offeror states otherwise, or unless provided within this *Request For Proposal*, the City reserves the right to award by individual line item, by group of line items, or as a total, whichever is deemed most advantageous to the City.
- b. Notwithstanding any other provision of this *Request For Proposal*, The City expressly reserves the right to:
 - (1) Waive any immaterial defect or informality; or
 - (2) Reject any or all proposals, or portions thereof, or
 - (3) Reissue a *Request For Proposal*.
- c. A response to a *Request For Proposal* is an offer to contract with the City based upon the terms, conditions and specifications contained in the City's *Request For Proposal* and the written amendments thereto, if any. Proposals do not become contracts unless and until they are accepted by the City Council. A contract is formed when written notice of award(s) is provided to the successful Offeror(s). The contract has its inception in the award document, eliminating a formal signing of a separate contract. For that reason, all of the terms and conditions of the procurement contract are contained in the *Request For Proposal*; unless modified by a Solicitation Amendment (COP Form 207) or a Contract Amendment (COP Form 217).

Force majeure shall not include the following occurrences:

- b. Late performance by a subcontractor unless the delay arises out of a force majeure occurrence in accordance with this Force Majeure term and Condition.

Any delay or failure in performance by either party hereto shall not constitute default hereunder or give rise to any claim for damages or loss of anticipated profits if, and to the extent that such delay or failure is caused by force majeure. If either party is delayed at any time in the progress of the work by force majeure, then the delayed party shall notify the other party in writing of such delay within forty-eight (48) hours commencement thereof and shall specify the causes of such delay in such notice. Such notice shall be hand delivered or mailed *Certified-Return Receipt* and shall make a specific reference to this article, thereby invoking its provisions. I. Background

The City of Peoria, Arizona (the "City") has issued long term, tax exempt bond issues to finance a variety of activities, as well as the construction and/or acquisition of structures and improvements. These issues, which we understand may be subject to the arbitrage rebate requirements contained in Section 148(f) of the Internal Revenue Code of 1986 (the "Rebate Requirements), are:

- | | | | |
|----|---------------|--|-------------|
| 1. | \$21,250,000 | Vistancia Community Facilities District General Obligation Bonds | Series 2002 |
| 2. | \$27,570,000 | General Obligation Bonds | Series 2003 |
| 3. | \$25,015,000 | Municipal Development Authority Revenue Refunding Bonds | Series 2003 |
| 4. | \$23,550,000 | Vistancia Community Facilities District General Obligation Bonds | Series 2005 |
| 5. | \$6,675,000 | Municipal Development Authority Revenue Bonds | Series 2006 |
| 6. | \$22,760,000 | Vistancia Community Facilities District General Obligation Bonds | Series 2006 |
| 7. | \$4,950,000 | I.D. No. 0601 – Parke West Improvement District Bonds | Series 2007 |
| 8. | \$112,745,000 | General Obligation Bonds and Refunding Bonds | Series 2007 |
| 9. | \$47,000,000 | Municipal Development Authority Transportation Sales Tax Bonds | Series 2008 |

Additionally the City anticipates it will complete two to four new financings each year that may be subject to "Rebate Requirements" and may be added to the work of the successful proposer over time.

Portions of the proceeds of each issue are held and invested by the City or third party trustees and have been sold at fixed interest rates.

Given the specialized knowledge necessary to ensure compliance with the Rebate requirements the City desires to develop and implement a process to coordinate compliance.

The purpose of this request for Proposal (the "RFP") is to solicit responses from firms capable of providing the requisite services for a five year period with, at the option of the City, extensions to the term of any or all of the bonds included in the contract. The City may elect to contract for some or all of the available services. To facilitate the City's selection process, please provide your quote on a per issue, per services and /or all-inclusive basis.

II. Services to Be Provided

For each issue, the Consultant is to:

1. Verify that the issue is subject to the rebate requirement.
2. Calculate the bond yield.
3. Identify and separately account for, all "Gross Proceeds" (as last term is defined in the Rebate Requirement) of the bond issue, including those requiring allocation analyses due to "transferred proceeds" and/or "commingled funds" circumstances.
4. Calculate the issue's excess investment earnings (cumulative rebate liability).
5. Deliver appropriate documentation required to support calculations.
6. Provide an executive summary identifying the methodology employed, major assumptions, conclusions, and any recommendations for changes in City record keeping and investment policy.
7. Prepare a matrix to monitor arbitrage compliance. The matrix should identify key items for each bond issue such as the dates of restriction and/or rebate, the applicable arbitrage yield, any exceptions to rebate, penalty elections, calculations and payments dates, etc. A sample arbitrage compliance matrix is attached (Attachment A).
8. Prepare all necessary IRS forms for rebate payments or refunds of overpayments. Assist the City as necessary in the event of an IRS audit.
9. Consult with City staff as necessary regarding arbitrage-related matters.
10. Provide assistance and consultation as necessary and retain records and documentation at least six years after the issue's final maturity.
