Under the provisions of A.R.S. § 41-4401, Contractor hereby warrants to the City that Contractor and each of its subcontractors ("Subcontractors") will comply with, and are contractually obligated to comply with, all Federal immigration laws and regulations that relate to their employees and A.R.S. § 23-214(A) (hereinafter, "Contractor Immigration Warranty")

A breach of the Contractor Immigration Warranty shall constitute a material breach of this agreement and shall subject Contractor to penalties up to and including termination of this agreement at the sole discretion of the City. The City may, at its sole discretion, conduct random verification of the employment records of Contractor and any Subcontractors to ensure compliance with the Contractor Immigration Warranty. The provisions of this Paragraph must be included in any contract Contractor enters into with any Subcontractors who provide services under this agreement or any subcontract. "Services" is defined as furnishing labor, time or effort in the State of Arizona by a contractor or subcontractor. Services include construction or maintenance of any structure, building or transportation facility or improvement to real property.

This contract shall be governed by the laws of the State of Arizona and suit pertaining to this contract may be brought only in courts in the State of Arizona

This contract is subject to the provisions of ARS § 38-511, the City may cancel this contract without penalty or further obligations by the City or any of its departments or agencies if any person significantly involved in initiating, negotiating, securing, drafting or creating the contract on behalf of the City or any of its departments or agencies, is at any time while the contract or any extension of the contract is in effect, an employee of any other party to the contract in any capacity or a consultant to any other party of the contract with respect to the subject matter of the contract.

PUBLIC RECORD: All offers submitted in response to this solicitation shall become the property of the City and shall become a matter of public record available for review, subsequent to the award notification, in accordance with the City's Procurement Code. However, subsequent to the award of the contract, any information and documents obtained by the City during the course of an audit conducted in accordance with Paragraph 19 above for the purpose of determining compliance by Contractor or a Subcontractor with the Contractor Immigration Warranty mandated by Paragraph 3 above shall remain confidential and shall not be made available for public review or produced in response to a public records request, unless the City is ordered or otherwise directed to do so by a court of competent jurisdiction

1. PREPARATION OF PROPOSAL:

- a. All proposals shall be on the forms provided in this *Request For Proposal* package. It is permissible to copy these forms if required. Telegraphic (facsimile) or mailgram proposals will not be considered.
- b. The Offer and Contract Award document (COP Form 203) shall be submitted with an original ink signature by a person authorized to sign the offer.
- c. Erasures, interlineations, or other modifications in the proposal shall be initialed in original ink by the authorized person signing the Vendor Offer.
- d. If price is a consideration and in case of error in the extension of prices in the proposal, the unit price shall govern. No proposal shall be altered, amended, or withdrawn after the specified proposal due date and time.
- e. Periods of time, stated as a number of days, shall be calendar days.
- f. It is the responsibility of all Offerors to examine the entire *Request For Proposal* package and seek clarification of any item or requirement that may not be clear and to check all responses for accuracy before submitting a bid. Negligence in preparing a Proposal confers no right of withdrawal after proposal due date and time.

2. INQUIRIES: Any question related to the *Request For Proposal* shall be directed to the Buyer whose name appears on the front. The Offeror shall not contact or ask questions of the department for which the requirement is being procured. Questions should be submitted in writing when time permits. The Buyer may require any and all questions be submitted in writing at the Buyer's sole discretion. Any correspondence related to a *Request For Proposal* should refer to the appropriate *Request For Proposal* number, page, and paragraph number. However, the Offeror shall not place the *Request For Proposal* number on the outside of any envelope containing questions since such an envelope may be identified as a sealed proposal and may not be opened until after the official *Request For Proposal* due date and time.

3. PROSPECTIVE OFFERORS CONFERENCE: A prospective offerors conference may be held. If scheduled, the date and time of this conference will be indicated on the cover page of this document. The purpose of this conference will be to clarify the contents of this *Request For Proposal* in order to prevent any misunderstanding of the City's position. Any doubt as to the requirements of this *Request For Proposal* or any apparent omission or discrepancy should be presented to the City at this conference. The City will then determine if any action is necessary and may issue a written amendment to the *Request For Proposal*. Oral statements or instructions will not constitute an amendment to this *Request for Proposal*.

4. LATE PROPOSALS: Late Proposals will not be considered, except as provided by the **City of Peoria Procurement Code**. A vendor submitting a late proposal shall be so notified.

5. WITHDRAWAL OF PROPOSAL: At any time prior to the specified proposal due date and time, a Vendor (or designated representative) may withdraw the proposal. Telegraphic (facsimile) or mailgram proposal withdrawals will not be considered.

6. AMENDMENT OF PROPOSAL: Receipt of a Solicitation Amendment (COP Form 207) shall be acknowledged by signing and returning the document prior to the specified proposal due date and time.

7. PAYMENT: The City will make every effort to process payment for the purchase of goods or services within thirty (30) calendar days after receipt of goods or services and a correct notice of amount due, unless a good faith dispute exists as to any obligation to pay all or a portion of the account. Any proposal that requires payment in less than thirty (30) calendar days shall not be considered.

8. NEW: All items shall be new, unless otherwise stated in the specifications.

9. DISCOUNTS: Payment discount periods will be computed from the date of receipt of material/service or correct invoice, whichever is later, to the date Buyer's payment is mailed. Unless freight and other charges are itemized, any discount provided will be taken on full amount of invoice. Payment discounts of thirty (30) calendar days or more will be deducted from the proposal price in determining the low bid. However, the Buyer shall be entitled to take advantage of any payment discount offered by the Vendor provided payment is made within the discount period.

10. TAXES: The City of Peoria is exempt from Federal Excise Tax, including the Federal Transportation Tax. Sales tax, if any, shall be indicated as a separate item.

11. VENDOR REGISTRATION: After the award of a contract, the successful Vendor shall have a completed Vendor Registration Form (COP Form 200) on file with the City of Peoria Materials Management Division.

12. AWARD OF CONTRACT:

- a. Unless the Offeror states otherwise, or unless provided within this *Request For Proposal*, the City reserves the right to award by individual line item, by group of line items, or as a total, whichever is deemed most advantageous to the City.
- b. Notwithstanding any other provision of this *Request For Proposal*, The City expressly reserves the right to:
 - (1) Waive any immaterial defect or informality; or
 - (2) Reject any or all proposals, or portions thereof, or
 - (3) Reissue a *Request For Proposal*.
- c. A response to a *Request For Proposal* is an offer to contract with the City based upon the terms, conditions and specifications contained in the City's *Request For Proposal* and the written amendments thereto, if any. Proposals do not become contracts unless and until they are accepted by the City Council. A contract is formed when written notice of award(s) is provided to the successful Offeror(s). The contract has its inception in the award document, eliminating a formal signing of a separate contract. For that reason, all of the terms and conditions of the procurement contract are contained in the *Request For Proposal*; unless modified by a Solicitation Amendment (COP Form 207) or a Contract Amendment (COP Form 217).

1. Project Understanding & Method of Approach

Project Understanding & Method of Approach

Our team has more than a decade of working within TV stations, creating and designing and executing the overall “look” of stations; we are conditioned to working on tight, demanding broadcast deadlines. We have written and produced literally thousands of :10, :30 & :60 promos, station ID’s and PSAs; in addition, we have also written and produced everything up to 30:00 documentary with a clear understanding of TV viewers and how to leverage every second of on-air for the benefit of your audience, as well as branding of your station.

Here is how we will approach this project:

- To start, meet with the City of Peoria, since you are the experts at knowing what your station and your audience wants, then determine the project purpose and needs.
- Meet to brainstorm creative ideas.
 - We know that part of our job is to bring in new ideas, the latest production techniques, and to help you reach forward.
- Write scripts with client input and approval.
 - After thorough investigation and research, we will produce a rough draft that accurately conveys your message, and work directly with you to fine-tune the text to produce a final draft that meets all your requirements.
- Producer scouts location and determines shot list and auditions talent.
 - Whether working with adults, children, or even animals, we approach every shoot with the utmost professionalism and we will smoothly guide the crew and talent to bring out the best performances and the most accurate representation of your vision. With our in-house ProTools audio studio, we can bring your talent in our facility to record voice over for any of your projects.
- Assemble crew and determine equipment needs.
 - BAY 6 Productions has 2 full HD shoot packages featuring the Panasonic HVX 200 camera, Lectrosonic wireless microphones and a full indoor/outdoor teleprompter system.
- Shoot segments on location or in our studio.
 - Indoors or outdoors, our artistic eye and experience assures that all your projects will look the absolute best. BAY 6 Productions has a 15x24ft green screen studio, mini-jib, skateboard dolly, and a full lighting package to lend a creative flare to any and every shot.
- 2D and/or 3D Graphic needs are determined and created.
 - By using industry standard software programs, Photoshop, Illustrator, After Effects, and state of the art graphics and composition applications, such as Flame, Flint, 3D Studio Max and Maya 3D, we can give your videos a “National” look.
- Producer will media log all shots and works with editor for a rough-cut and client input.
 - We have (3) three AVID Adrenaline HD suites and can capture media from virtually any source. With over 20 terabytes of storage, there is no project we can’t handle.
- Final edit and approval with delivery to the City of Peoria.
 - We have the capability to deliver on DVD (using DVD Studio Pro), DVCam, Windows Media Video, QuickTime and Flash Video, which all can be posted on our in-house FTP site for downloading.

BAY 6 Productions' organizational skills are paramount to delivering this scope of work. Combined with project management skills and a flexible crew, we have the ability to assemble and execute quickly. Our team will consist of a Producer, Writer, Videographer, Teleprompter Operator, AVID Editor, Graphic Artist and Audio Engineer. In addition, we have a on staff Spanish Producer & AVID Editor with capabilities to produce all the shows in Spanish, should the need exist.

2. Firm's/Staff Experience & Qualifications

Firms/Staff's Experience & Qualifications

BAY 6 Productions, Inc. is located at 3200 N. Hayden Road, Suite 325 in Scottsdale. All Post Production services will be performed at this location, unless further specified by The City of Peoria. Our website is www.bay6inc.com.

BAY 6 Productions, Inc. is a full service video-audio-graphic production facility that was established in 1998 by local Scottsdale resident, Rick Servatius. We have one of the busiest voiceover facilities for both video and software-based applications, and we proudly produce more web video and have more experience doing so than any other post-production facility in the state.

Our National and International credentials include multiple Telly Awards, National Geographic Channel, Hallmark Channel, Odyssey Channel, NBC, ABC, CBS, HBO Sports, ESPN, Harlem Globetrotters and Pearson Education.

Dedicated Manager/Videographer - Rick Servatius - is BAY 6 Productions' President and has over 30 years experience in Video Production and the Television Broadcast Industry with a video engineering background. Rick has a degree in Television Broadcasting and worked for a CBS affiliated TV Station in Idaho before moving to Phoenix and working for KPHO and KTVK in their engineering department and later on in their video production department. Rick is the recipient of numerous Telly Awards and has shot, edited, produced and supervised shows for The National Geographic Channel, Harlem Globetrotters, Hallmark Channel, Odyssey Channel and Pearson Television in London. He has also worked with ABC, NBC, CBS, HBO Sports and ESPN.

Writer/Producer - Deborah Johnson - is an EMMY Award-winning writer and producer. For more than 20 years she worked at top affiliate stations and broadcast facilities around the country, including KPIX-TV (CBS) San Francisco, KOMO-TV (ABC) and KIRO-TV (CBS) Seattle, KNXV-TV (ABC) Phoenix and WLWT-TV (NBC) Cincinnati. During that time she evolved from director, to writer/producer, and finally served for more than half of that time as a promotion/marketing manager. Her responsibilities included writing and producing programs, station promos, PSAs, image campaigns, Station IDs, Show Opens and Closes and a variety of sales related materials. She has taught broadcast writing workshops in the Northwest and Southwest. In addition to a wide variety of production, she routinely works as a freelance producer for ABC World News Tonight, ABC Good Morning America, CBS Evening News, The Today Show, and Inside Addition.

Graphic Artist - Matt Mooney - has won 16 Rocky Mountain Emmy Awards for his graphics and visual effects work. Matt and his crew bring a full compliment of graphical visual effects to the table to meet all of your graphics needs, including special visual effects, logo design, 3D graphics treatments, architectural renderings, digital mapping, graphical 'accent' packages and full graphic design. Matt has worked as the visual effects director for several Academy Awards broadcasts and has created numerous music videos for artists such as Madonna, Prince, the Rolling Stones, Michael Jackson and U2. Matt has also created 3D graphics for the Phoenix Suns and Diamondbacks. Having been an art director for an NBC affiliate, Matt is well versed in all the nuances and special technical needs of a broadcast station. He can design and deliver station graphics in a 'versioned' and 'elemental' form, with synced mattes, allowing the station editors a variety of options when producing bumpers, promos, teasers, etc. while maintaining an integrated and 'National' quality look and feel. This approach provides for "One look", editorial and technical compatibility and the 'bling' factor that will give your station the look and respect of the networks.
