December 2007

Issue 1

It's Official!

The City of Peoria awarded a contract to Banicki Construction to mill the existing pavement and place an overlay on 91st Avenue from Tumblewood Drive south approximately 230 feet. The contractor will mill the asphalt on December 21, 2007 and paving will begin on December 26. The project is slated for completion at the end of December, weather permitting. This project is being constructed during this time of year to minimize impact to the local school, its students and faculty. Construction work hours will be 7:00 a.m. to 5:00 p.m., Monday through Friday; hours will vary with seasonal changes. Construction crews will work weekends, if needed.

Traffic Restrictions

During the project, expect traffic lane restrictions. However, access always will be maintained for students, school staff, residents, businesses and emergency vehicles. Please allow yourself extra time to get where you are going, as there may be traffic delays. In addition, do not move barricades or traffic signs as they are in place for your protection.

Safety Matters

Please do not go into the construction work area until the project is completed for your safety and the safety of others. Thank you for your assistance and cooperation.

We're Here For You

If you have questions, concerns or need information about the project in your community, please call the 24-hour construction hotline at (602) 264-6416. We are here to answer your questions and assist you in any way that we can.
