

## Special Notice

During the sewer line installation being performed on Northern Avenue, Sundt Construction crews encountered unstable ground conditions. As a result, Northern Avenue will be closed temporarily from 103rd Avenue to Loop 101 for safety reasons.

The sewer line improvement effort will be performed in three phases. Please note that the following timeframes are tentative and may vary depending on conditions: The first phase begins March 8 and lasts through March 12. During this closure, Northern Avenue will be closed from 103rd Avenue to the west side of 99th Avenue. During the second phase, March 12 through March 24, Northern Avenue will be closed from 103rd Avenue to Loop 101. The final phase will be March 15 through March 27. During this timeframe, Northern Avenue will be closed on the east side of 99th Avenue to the Loop 101.

During all three closures, Glendale Avenue, Olive Avenue, 103rd Avenue or Loop 101 may be used as alternate routes. Please allow yourself extra time to get where you are going, as there may be traffic delays. Obey all traffic signs and barricades as they are in place for your safety and the safety of others.

Thank you for your patience and cooperation.
