LAYER TO COME

The contractor has installed the final layer of asphalt (seal course) and has begun painting temporary stripes on Cactus Road between 89th and 91st Avenues.

Combs' crews will return in 30 to 40 days to paint permanent stripes on the roadway.

SO LONG, FAREWELL

We know construction projects can be tedious, however, there is good news – the project is nearly finished. Soon, your community will benefit from new roadway asphalt and a new right turn lane.
