## 16-Inch Waterline Construction Project

24-Hour Construction Hotline: (602) 264-6416

May 2005 Issue 1

## It's Official!

The City of Peoria awarded a contract to Pierson Construction Corporation, Inc. to install a 16-inch water main under Country Gables Drive between 81st and 83rd Avenues, and under 81st Avenue from Country Gables Drive north approximately 600 feet.

Construction will begin on May 31, 2005; the project is slated for completion in August 2005. Construction work hours will be 6:00 a.m. to 4:00 p.m., Monday through Friday; hours will vary with seasonal changes. Construction crews will work weekends, if needed.

## MEET THE MANAGERS

During the construction improvement effort, representatives will be onsite to oversee the project. The City of Peoria project manager is Burton Charron and Pierson Construction's project manager is John Ardente.

## ON THE ARIZONA ROAD

Expect traffic restrictions and lane closures during the project. However, the contractor will maintain access for residents, businesses and emergency vehicles at all times. Please allow yourself extra time to get where you are going, as there may be traffic delays. In addition, do not remove barricades or traffic signs as they are in place for your protection.

## SAFETY MATTERS

Please do not go into the construction work area until the project is completed for your safety and the safety of others. Thank you for your assistance and cooperation.

# **WE'RE HERE FOR YOU**

During the construction effort, you will receive a regular newsletter updating you on the progress of the project. In the meantime, if you have questions, concerns or need information about the project in your community, please call the 24-hour construction hotline at **(602) 264-6416**. We are here to answer your questions and assist you in any way that we can.
