EXPANDING NEIGHBORHOOD SURROUNDINGS

The Lake Pleasant Road 30-Inch Water Line Improvement Project (Rose Garden Lane To Beardsley Road)

24-Hour Construction Hotline: **(602) 264-6416**

July 2005

Issue 2

IMPROVEMENTS UNDERWAY

Pierson Construction Corp. has begun installing the new 30-inch water line on the west side of Lake Pleasant Road. The work is beginning at Rose Garden Lane and proceeding south to Beardsley Road. Construction completion is slated for September 2005.

WHEN DRIVING NEARBY

Currently, the contractor is maintaining one lane of traffic in each direction on the east side of Lake Pleasant Road. Please note that there is not enough room for left turns at the intersection of Lake Pleasant and Beardsley Roads. As a result turns are not permitted at this time.

Access for residents, businesses and emergency vehicles will be maintained at all times. Please allow yourself extra time to get where you are going, as there may be traffic delays. In addition, do not remove barricades or traffic signs as they are in place for your protection.

SAFETY IS NUMBER ONE

Do not go into the construction work area until the project is complete. Thank you for your assistance and cooperation.

TRAFFIC CONTROL CHANGE

During the water line improvement project, a traffic control change is planned on Lake Pleasant Road and Rose Garden Lane. As part of the change, there will be a three-way stop for all traffic traveling through this intersection. Please use caution when driving through the area and obey traffic control signs as posted. This temporary change is being implemented to provide safety for the traveling public.

FOR MORE INFORMATION

If you have questions or need information about the project in your community, please call the 24-hour construction hotline at **(602) 264-6416**. We are here to assist you in any way that we can.
