January 2005

Issue 5

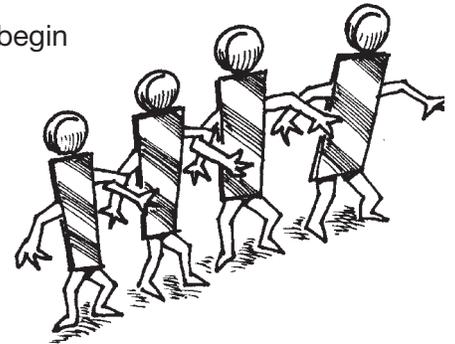

ONE SECTION AT A TIME

Haydon Building Corp. has completed installation of the new box culverts under the east side of Lake Pleasant Parkway near Jomax and Pinnacle Peak Roads.

Construction crews now are installing curb and gutter on the east side of Lake Pleasant Parkway between Dynamite and Williams Road. The contractor continues excavating the new roadway in the same location.

LAYER BY LAYER

In late February or early March, Haydon will begin installing the first layer of asphalt, or base course, on the east side of Lake Pleasant Parkway between Dynamite and Williams Road. During the paving activity, it may be necessary to close Pinnacle Peak Road at Lake Pleasant Parkway. If a closure is required, signs will be posted in advance of the closure.

SLOW AS YOU GO

Access is being maintained for residents, businesses and emergency vehicles. Please allow yourself extra time to get where you are going, as there may be delays. In addition, do not remove barricades or traffic signs. Also, please slow down when driving through the construction work area as there are people and equipment working on the site. Thank you for focusing on safety.

IF YOU HAVE QUESTIONS

If you need information about the improvement project, call the 24-hour construction hotline at **(602) 264-6416**. We are here to answer your questions.
