

83rd Avenue Roadway Improvements - Open House / Public Meeting

Project No. EN00313

The City of Peoria is planning to improve 83rd Avenue from Las Palmaritas Drive to Mountain View Road and Butler Drive from 83rd Avenue to 79th Avenue to accommodate future traffic. 83rd Avenue improvements include two through lanes and bike lanes in each direction, curbing and sidewalk, and a raised median. The existing curb and sidewalk from Las Palmaritas to Alice Avenue will remain in place. Butler Drive improvements include one through lane in each direction. Curbing and sidewalk will be constructed along the north side of the roadway.

You are invited to attend an **Open House Public Meeting** to review the proposed improvements and provide your comments. Project exhibits and agency staff will be available at the meeting to answer your questions. No formal presentation will be given at this meeting. All City of Peoria offices are handicap accessible.
