

MARICOPA COUNTY DEPARTMENT OF TRANSPORTATION

Creating New Community Horizons

Traffic Signal Installation

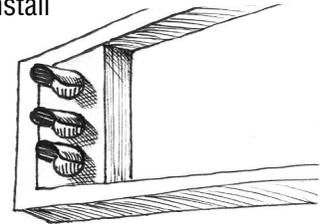

Happy Valley Parkway and 115th Avenue Intersection

October 2008

Work Order #: TT 280

NEW TRAFFIC SIGNAL PLANNED

The Maricopa County Department of Transportation (MCDOT) will install new traffic signals at the intersection of Happy Valley Parkway and 115th Avenue. Design of the new signals will be completed in December 2008 and construction is slated to begin in February 2009. The traffic signal installation will take approximately 90 days to complete.

TRAFFIC RESTRICTIONS

During the installation process, lane closures are anticipated. Please allow yourself extra time when driving through the area, as there may be traffic delays. Access will be maintained for residents, businesses and emergency vehicles at all times.

Thank you for your patience and cooperation.

Safe Driving Tips:

Inoperative Traffic Light/Power Outage

- Treat the intersection just like a four-way STOP!

Flooded Roadway and Washes

- Don't Risk It!
- Never cross a rain-swollen wash
- Do not drive around roadway barriers
- Never underestimate the power and force of water
- A vehicle is NOT a flotation device!

Dust Storms

- Turn your headlights on and slow to a prudent speed
- If you pull off the road, get as far to the right as possible. Turn off the car and headlights, and set the parking brake
- Keep your foot off the brake pedal – other drivers may think you're a car in motion
