

The 91st Avenue And Monroe Street Intersection Improvement Project

March 2008 • Issue 1

24-Hour Construction Hotline: (602) 264-6416

It's Official

The City of Peoria awarded a contract to CS Construction, Inc. to improve the intersection of 91st Avenue and Monroe Street. Improvements include construction of a new traffic signal, sidewalk and valley gutter.

Construction will begin March 17; the project is slated for completion in early June 2008. Construction work hours will be 6:00 a.m. to 7:00 p.m., Monday through Friday; hours will vary with seasonal changes. Construction crews will work weekends, if needed.

Meet The Managers

During the construction effort, representatives will be onsite to oversee the project. The City of Peoria construction manager is Gilbert Griego and the city's engineer is Ben Wilson, and CS's project manager is Sheldon Lincoln and the superintendent is Scott Martinmaas.

Traffic Restrictions

During the project, expect traffic lane restrictions. However, access always will be maintained for residents, businesses and emergency vehicles. Please allow yourself extra time to get where you are going, as there may be traffic delays. In addition, do not move barricades or traffic signs as they are in place for your protection.

Safety Matters

Please do not go into the construction work area until the project is completed for your safety and the safety of others. Thank you for your assistance and cooperation.

We're Here For You

If you have questions, concerns or need information about the project in your community, please call the 24-hour construction hotline at (602) 264-6416. We are here to answer your questions and assist you in any way that we can.
