

The Thunderbird Road Improvement Project (Loop 101 to 94th Drive)

April 2008 • Issue 1

24-Hour Construction Hotline: (602) 264-6416

It's Official

The City of Peoria awarded a contract to FNF Construction, Inc. to improve Thunderbird Road between Loop 101 and 94th Drive. Improvements include new curb, gutter, sidewalk, a new storm drain, paving, widening of the New River Bridge, landscaping, streetlights and traffic signals.

Construction will begin in April, 2008; the project is slated for completion in summer 2009. Construction work hours will be 6:00 a.m. to 4:00 p.m., Monday through Friday; hours will vary with seasonal changes. Construction crews will work weekends, if needed.

Meet The Managers

During the construction improvement project, several project representatives will be onsite. The City of Peoria project manager is Geoffrey Zinnecker; the resident engineer is Lee Robertson of URS Corporation; and FNF's project manager is Lee Hulbert.

Traffic Restrictions

During the construction project, the contractor will maintain at least one lane of traffic in each direction on Thunderbird Road. Local access will be maintained for residents, businesses and emergency vehicles. Please allow yourself extra time to get where you are going, as there may be traffic delays. In addition, do not move barricades or traffic signs as they are in place for your protection.

Safety Matters

Please do not go into the construction work area until the project is completed for your safety and the safety of others. Thank you for your assistance and cooperation.

We're Here For You

We will provide you with periodic updates about the progress of the construction improvements. In the meantime, if you have questions, concerns or need information about the project in your community, please call the 24-hour construction hotline at (602) 264-6416. We are here to answer your questions and assist you in any way that we can.
