ADMINISTRATIVE RELIEF PROCESS GUIDE

September 2010

ADMINISTRATIVE RELIEF PROCESS GUIDE

Administrative Relief pertains to minor deviations from property development standards as described in Article 14-5, "Single-Family Residential Districts," Section 14-5-5, "Property Development Standards for Permitted Residential Uses," and all amendments thereof.

Requests for Administrative Relief shall fall into one of the following categories:

1. Subdivision Plat. A modification from the front, rear, or side yard setbacks, as shown in a recorded subdivision plat, that are more restrictive than the corresponding setbacks required in the City's Zoning Ordinance. A modification shall not result in front, rear, or side yard setbacks that are less than those required in the City's Zoning Ordinance.
2. Other than Subdivision Plat. A modification from the front, rear, or side yard setbacks or from the maximum percentage of lot coverage, for an amount that is no greater than five percent (5%) of the setback or lot coverage required in the City's Zoning Ordinance.
3. All other modifications shall be considered Variances and shall be forwarded to the Board of Adjustment for a hearing in accordance with procedures outlined in Section 14-39-12, "Appeals to Board of Adjustment," Sub-section G, "Variance."

Requests for Administrative Relief shall be acted upon by the Planning Manager and shall adhere to the procedures found within the Zoning Ordinance.

Conditions for Approval

The Planning Manager may authorize Administrative Relief when a literal enforcement of any provision(s) of Article 14-5, Section 14-5-5, and all amendments thereof, pertaining to property development standards for permitted principal uses would result in unnecessary property hardship and when evidence is presented demonstrating to the satisfaction of the Planning Manager that all of the following conditions are fulfilled:

1. The request is not part of multiple applications from an individual homebuilder for a specific subdivision or planned community;
2. The requested modification will not be detrimental to persons residing or working in the vicinity, to adjacent property, to the neighborhood, or to the public welfare in general;
3. The granted Administrative relief is the minimum development standard modification that will make possible the reasonable use of the land and/or structure; and
4. Appropriate and specific conditions as may be deemed necessary in order to fully carry out the intent of the Administrative Relief section of the Zoning Ordinance have been stipulated by the Planning Manager.

Application for Administrative Relief

A request for Administrative Relief may be filed by any property owner, or any department, agency, or division of the City of Peoria, of Maricopa or Yavapai County, of the State of Arizona, or of the federal government. A checklist of required materials for submission of a request for Administrative Relief is included within this packet.

Notice

The Department shall mail notice of the application to all owners of real property within three hundred (300) feet of the subject property within three (3) business days of submittal of the application. It will be the applicant's responsibility to pay for the noticing.

Protest

If no protest is received by the Department from any notified property owner within (10) days of the mailing date of notice, the Planning Manager shall act on the request. If protest is received by the Department from any notified property owner within (10) days of the mailing date of notice, the matter shall be reclassified as a Variance and submitted to the Board of Adjustment. In these cases, no additional filing fees will be charged but an additional noticing fee will be collected.

Appeal

If the decision of the Planning Manager is not satisfactory to the applicant, the applicant may appeal the decision to the Board of Adjustment in accordance with procedures set forth in Section 14-39-12, "Appeals to Board of Adjustment."

Null and Void

A violation of any condition stipulated by the Planning Manager shall be a violation and shall render the granted Administrative Relief null and void. An approval shall also be null and void if the use has not commenced or if a building permit has not been obtained within sixty (60) days of authorizing the variance or within any greater or lesser time stipulated by the Planning Manager, not to exceed one (1) year.
