User ID: Social Security Number PIN #: Last 4 of SSN + 4 digit Birth Year

#### Here's How it Works:

1. City of Peoria's payroll department securely transmits employment and income data to The Work Number on a regular cycle, so the information remains current.
2. When you apply for credit or other services where proof of employment or income is required, you provide consent to the credit grantor to verify that information when signing the application.
3. The verifier—who has been carefully screened and credentialed before gaining access to the system—uses the **City of Peoria employer code: 16601** and your **Social Security Number** to look up your record on The Work Number database.
4. The verifier must provide a valid reason or permissible purpose for requesting the information, as defined by the Fair Credit Reporting Act (FCRA).
5. With the above conditions met, the verifier can validate your employment or income in seconds, accelerating the decision process and helping you obtain the credit you deserve.
