

REQUEST FOR SEWER FEE APPEAL 2019

Sewer fees are calculated annually, based on the customer's average water-usage for the winter months: December, January, February and March. If your water-usage for these four months is a misrepresentation of actual water disposed through the city's sewer system, e.g. landscaping or pool repair, you may appeal by completing the following form.

The information provided on this form will be used to determine if your sewer fee should be adjusted for the remainder of the year. Any allowances, based on the information provided, will be reflected on future bills. If you have any questions, contact the City of Peoria Customer Service Center at (623)773-7160 or e-mail customerservice@peoriaaz.gov. A determination will be sent to your email address within 30 days.
