GUIDELINES

- All bulky items must be placed in the gutter/curb no later than 6:00 am on your "Collection Begins on" date. Bulky items placed out after a street has been serviced or exceed the maximum collection size (approx. 6' long x 4' wide x 3' feet tall) will incur a charge of \$50.00 per 30 minutes of loading time.
- Neatly place bulk trash alongside the curb in front of your property. Do not place items on your property or the sidewalk. Please do not combine bulk trash into one large community pile. Service will not be provided if bulk trash is improperly placed, deemed unsafe to collect, or contains unacceptable items.
- Loose yard clippings and pet waste must be bagged and securely tied to be collected.
- Cut tree limbs, branches and wood panels into three-foot sections and stack in the same direction.
- Place cacti pieces in a sturdy box.
- Remove doors from appliances or secure with heavy tape.
