## Peoria Fine Arts Association

The Peoria Fine Arts Association is proud to present our exhibit at the Peoria Center for the Performing Arts.

Peoria Fine Arts Association was officially formed in 2001 by members of the Peoria Arts Commission who recognized a need for an artist organization in this part of the valley.

Peoria Fine Arts Association is a group of local artists working all facets of the arts.

Our mission is to promote fellowship among local artists and development of original art forms among its members.

We provide art exhibitions by members, open to the public and promote educational programs, scholarships and grants for fine arts students.

Our activities are published in our monthly newsletter. We welcome new artists from throughout the valley.
