

Pressure Reducing Valve Rebate Program

Program Requirements

City of Peoria water customer accounts will be credited up to \$250 for PRVs 1/4" and smaller, and up to \$350 for a 1/2-inch or larger PRV. After installation, please submit a receipt / invoice with your completed application. Remember to keep a copy for yourself!

Required Features

- Rebate restricted to **new** PRV installations only.
- Rebate applicable to homes located within the Rock Springs development (bounded by Jomax to the south, 75th Ave to the east and West Wing to the west).
- Rebate for new installations available through **12/31/20**.

Rebate Procedure

1. Check your water bill to verify that you are a City of Peoria water customer.
2. Purchase and install a pressure reducing valve capable of regulating water pressure into home.
3. Verify that the receipt / invoice lists the actual cost of the valve, excluding taxes and installation fees.
4. Install your new valve or have it installed.
5. Submit a completed application with receipt / invoice.
6. It may take up to 2 billing cycles for credit to post to your account.

Mail completed application with receipt to:
