# Street Light Shield Requests

The City of Peoria Streets Division approves up to ten Street Light Shield Applications per fiscal year. Each application must be accompanied by a completed form that requires the applicant's contact information and the consent of any affected neighbors. Please note, these Street Light Shield Applications are reviewed in the order in which they are received.

## **Important to Note:**

Residents of homes positioned on the same side of the street within 100 feet of the light for which the shield is to be installed, must approve and sign a petition. Shields can only be placed on the back side of a street light. If the petitioner's residence is more than 50 feet from the street light, the request may be summarily denied.

## **How does the application process work?**

- ✓ Complete Application and Petition, on Streets Division Home Page
- ✓ Street Light Location Assessment, Performed By Our Team
- ✓ Notification To The Applicant
- ✓ If Request is Approved, Installation of The Shield
