3. **Illegal Contact** – at or beyond the line of scrimmage – In cases where the person(s) acting as the offensive lineman initiates any contact (at the referees discretion), it will be ruled a 10 yard penalty from the line of scrimmage and we will replay the down. If this contact is deemed excessive by the referee, an “unnecessary roughness” penalty of 10 yards can be assessed in addition to the “illegal contact.” This would make the total penalty 20 yards.
4. Defensive players hold equal responsibility to avoid contact. Ramming or Tackling an opponent will be a 10 yard penalty.

SECTION 13: DEFENSIVE RUSH

1. All players who rush the passer must be a minimum 7 yards from the line of scrimmage when the ball is snapped. Any number of players can rush the quarterback. Players not rushing the quarterback may defend on the line of scrimmage.

 - c. If rusher leaves the Rush Line before the snap, he/she may immediately drop back to act as defender with no offside penalty enforced.
 - d. Players rushing the quarterback may attempt to block a pass; however, NO contact can be made with the quarterback in any way. Blocking the pass or attempting to block the pass and then making contact with the passer will result in a Roughing the Passer penalty.
7. The offense cannot impede the rusher in any way. The rusher has the right to a clear path to the quarterback, regardless of where they line up prior to the snap. If the “path or line” is occupied by a moving offensive player, then it is the offense’s responsibility to avoid the rusher. Any disruption to the rusher’s path and/or contact will result in an Impeding the Rusher penalty. **If the offensive player does not move after the snap**, then it is the rusher’s responsibility to go around the offensive player and to avoid contact.
8. A sack occurs if the quarterback’s flag belt pulled behind the line of scrimmage. The ball is placed where the quarterback’s feet are when flag is pulled.
9. A Safety is awarded if the sack takes place in the offensive team’s end zone.

5. Runners may not leave their feet to advance the ball. Diving, leaping, or jumping to avoid a flag pull is considered flag guarding.
6. Spinning is allowed, but players may not leave their feet to avoid a flag pull. Jumping in the air in a forward motion to advance the ball, while attempting to avoid a flag pull, is not allowed. Lateral moves to the left or right are permitted.

 - a. There can be no forward pass made beyond the line of scrimmage.

3. The quarterback may not run the ball passed the line scrimmage. The quarterback does have the ability to scramble in the backfield but cannot directly advance the ball beyond the LOS. The quarterback is the player who receives the snap.
4. A receiver must have one foot inbounds to make a completed pass.
5. When a legal forward pass touches the ground or anything out of bounds, it becomes dead and is ruled as an incomplete pass.

 - a. Penalty – Illegal Touching, 5 yards.
7. If a legal forward pass is caught simultaneously by eligible receivers of opposing teams, the ball becomes dead and belongs to the team which put the ball in play, unless such play was a fourth down, and line-to-gain has not been reached.
8. During a down in which a legal forward pass is thrown, contact which interferes with an eligible receiver who is beyond the neutral zone will result in:
 - a. Defensive Pass Interference, 10 yards, Automatic First Down

 - b. If a team is unable to secure a first down or a touchdown, the opposing team will automatically take over possession on their own 10 yard line.
2. **11 & 12 and 13 & 14 Division:** When the offensive team wishes to punt (regardless of down), it is required to declare to the officials its intention to kick while they are still in their huddle.
 - a. The decision can only be changed after a penalty or charged time out.

SECTION 18: OFFICIAL'S ELASTICITY CLAUSE

SECTION 19: PENALTY ENFORCEMENT

- If the penalty occurs during a loose ball play (either a pass or a punt), the penalty is enforced from the previous spot and the down is replayed. On a passing play, the team will be penalized from the spot of foul if behind line of scrimmage
- On a running play, the penalty is enforced from either the spot of the foul or the end of the run, whichever hurts the team the most, and the down is replayed. If a team accepts the penalty, the down is replayed.
- If there both teams are called for a foul or rule infraction on the same live ball, the fouls or rule infractions will cancel each other out and there are no yards marked off. The down is replayed.
- A live ball foul and a dead ball foul do not cancel each other out. Each foul will be administered in the order of occurrence and the yardage stipulated for the foul.
- When a foul or rule infraction by the offense occurs, then a change of possession immediately occurs (such as an intercepted pass); the ball would then belong to the team intercepting the pass and the foul or rule infraction would be negated.
 - If the intercepting team also commits a foul or rule infraction while attempting to run with the ball during the same live ball play, there would be **TWO LIVE BALL FOULS**, but they **WOULD NOT** cancel each other out. The change of possession forces the intercepting team to decline the offensive foul or rule infraction, then accept possession of the ball, and finally be penalized for the foul that occurred during the attempted run after the interception.
 - If the defensive team does not decline the offensive foul or rule infraction, then the offensive team will retain possession of the ball and be penalized for their foul or rule infraction.
- An intercepted pass caught behind the goal line can be advanced. If the receiver doesn't get out beyond the goal line and into the field of play it is still a touchback.
- The first half or end of the game cannot end on a defensive penalty.
- Two (2) unnecessary roughness penalties by the same player will result in ejection from the game.
- Two (2) unsportsmanlike conduct by the same player or coach will result in ejection from the game and an additional one (1) game suspension.

SECTION 20: COACHES ON THE FIELD

- 5 & 6, 7 & 8 and 9 & 10 Division:** One coach per team is allowed on the field of play to help instruct players.
- 11 & 12 and 13 & 14 Division:** Only the Offensive team is allowed to have one coach on the field of play to help instruct players. No Defensive coaches are allowed on the field of play in these age divisions.
- All on-field coaches **MUST** withdraw at least 15 yards from the line of scrimmage prior to the snap of the ball. After the snap of the ball, all on-field coaches **MUST** not interfere with the play.
