

PARTICIPANT ELECTRONIC DEVICE POLICY

Parents/Guardians,

The City of Peoria understands that many parents have chosen to provide their children with personal electronic devices, including cell phones, camera phones, text messaging devices, tablets, ipads, etc. However, with this privilege comes responsibility. The Participant Electronic Device Policy is intended to preserve and respect safety measures, as well as, the recreational environment of all our participants. The policy outlined below will be enforced at all City of Peoria youth programming sites.

- Participant electronic devices may only be used during designated times/areas.
- Cell Phone calls may only be made with staff permission.
- Sharing of personal electronic devices during program times is prohibited. This includes viewing of other participant devices.
- Participant misuse of personal electronic devices (cell phones, camera phones, text messaging devices, tablets, ipads, etc...) may result in loss of this privilege and/or disciplinary action.
- Participants discovered watching or searching inappropriate material on personal electronic devices will receive behavior write-ups that could lead to program suspension or expulsion.
- The City of Peoria is not responsible for any lost or stolen personal items.

By signing below, I am acknowledging that I read and understand the guidelines outlined above and agree that any participant enrolled in a youth program will follow the Participant Electronic Device Policy.
