This is to inform you on a recent award presented to the City of Peoria. The award was given by the Southwest Energy Efficiency Project (SWEET), a public interest organization dedicated to advancing energy efficiency in Arizona, Colorado, Nevada, New Mexico, Utah, and Wyoming. The City of Peoria was awarded for being the first municipality in Arizona to adopt the 2012 International Energy Conservation Code (IECC), which provides contractors with specific guidelines for tailoring new construction to mechanical systems for maximum energy efficiency. The 2012 code sets a high bar for efficient buildings. Peoria was also cited for its commitment to conserving energy in public buildings, upgrading outdoor lighting to be efficient, and for efficient fleet transportation. The City of Peoria was the only municipality to win an award at this event. Should you have any questions, please let me know.

SUBJECT: Peoria Fire Department Community Events

Summary:

On Saturday, December 6th, the Home Depot store on 91st Ave was one of six stores nationally that donated 1000 smoke detectors to their local fire departments – in this case Peoria Fire. This event was a part of a larger fire safety event at the store that included the monthly kid's club workshop, which brings out 100 to 150 kids and their families. This month, kids participated in fire safety activities, DIY crafts and trying on firefighters' gear. Santa surprised everyone by arriving on a forklift and posed for pictures with kids at no charge. A side benefit of the event was an important lesson about fire safety especially around the holidays. Throughout the event, fire trucks and equipment were available for the kids to enjoy a up close look. The donation ceremony was held at 10am with speeches on the importance of fire safety.

On December 10th, over 140 senior adults enjoyed their annual visit from Santa during the Peoria Firefighters Charities Breakfast with Santa at the Peoria Community Center. The seniors were treated to a hearty breakfast of pancakes and sausage prepared by our master chefs. Santa (a Peoria Firefighter) arrived courtesy of Ladder Company 191, to allow the seniors to have their picture taken with Santa and tell him their Christmas wishes. Santa's handy elf was on hand to assist giving out Candy Canes. Numerous door prizes added to the excitement of the morning along with live music. The Peoria Firefighters are proud to sponsor this event and we hope to see everyone next year.

During the 2014 Holiday Season the Peoria Firefighters assisted those in need with new and unwrapped gifts for families who qualify with children under the age of 13 years old. The Peoria Firefighter Charities and Peoria Fire Department began collecting new unwrapped toys in November to provide a little extra holiday cheer to needy children within our community. The toys were accepted at all Peoria fire stations along with several partnering businesses. Presents were delivered to the family's homes on December 24, 2014. This year, the toy drive was able to provide toys for more than 300 children.
