Back to School Youth Summit

**Rio Vista Recreation Center
Saturday, August 9th • Noon to 4 pm**

The Peoria Police Department, in partnership with community leaders and community youth groups, wants to make sure that our teens head back to school fully prepared for a new year. This gathering is aimed at **teens 13-17** who want to learn how to have a successful school year, both in and out of the classroom.

Speakers will cover the growing issues with bullying and cyber bullying, what teens need to know in the ever-changing world of technology and how to stay safe when using their computers and smart phones. Teens will also learn about emerging drug concerns, dangerous trends to avoid and also how to set and accomplish their goals throughout the year.

The Police Department feels that reaching out this early in the school year to teens is a proactive way to have a positive effect on our community and help prepare teens to make good choices during the year ahead.

Food and refreshments will be served. Please RSVP.
