Twice as Nice: Peoria Adds Another Bulk Trash Pick-Up

The City of Peoria now offers bulk trash collection twice a year to residents. This service is for large items that will not fit into residential garbage containers. Such items include stoves, refrigerators, washers, water heaters, microwaves, televisions, sofas, chairs, tables, bookcases, desks, patio furniture, mattresses, exercise equipment, yard waste, and fencing and building materials.

Each zone of the city will have different collection days and collection begins at 6 a.m. on those scheduled days. Place your items on the curbside the day before collection begins.

Visit www.peoriaaz.gov/solidwaste to find out when your neighborhood is scheduled for pickup. For more information about the bulk trash program, email customerservice@peoriaaz.gov or call **623-773-7160**.

Also, don't forget to check the household hazardous waste drop-off schedule. The next one is scheduled for April 16 from 8 a.m. to 12 p.m. at the City of Peoria Operations Complex, located at 8850 N. 79th Avenue.

To learn more about hazardous waste and the drop-off schedule, visit www.peoriaaz.gov/hazwaste.

Former Mayor Keegan Tapped to Chair 2016 Citizen's Committee

Former Peoria Mayor John Keegan will chair the new volunteer Citizen's Committee created to help plan for coming growth and development in the city.

Mayor Cathy Carlat named Keegan chairman of the ad hoc committee to review city priorities and possible projects that would help "maintain Peoria's strong private property values and safe neighborhoods," she said.

"John cares deeply about Peoria and its long-term future, making him perfect for this assignment," Carlat said.

Keegan served as Peoria's mayor from 1997 to 2007 and in the Arizona House of Representatives from 1991 to 1995. He also served in both the U.S. Army and U.S. Navy, retiring from the Navy with the rank of Commander.

Carlat expressed confidence in former Mayor Keegan's ability to hold the committee to the same conservative fiscal approach that has allowed the city to keep fees and taxes low while delivering quality services residents expect.

"This is an exciting time to live in Peoria. Our neighborhoods are safe. Our schools are good. Our amenities are second to none. And now, with this effort we have an opportunity to discuss and act on a plan for making our community even greater well into the future," Carlat said.

Peoria Sports Complex Adds Full-Service Event Space

The Peoria Sports Complex continues to expand and add features for baseball enthusiasts and families. Just completed for the 2016 Spring Training season is the Colonnade at the Sports Complex. This 3,300 square-foot indoor venue is ideal for conference meetings, small groups and special events.

Located alongside the baseball diamond inside the stadium, the Colonnade opens to an outdoor patio facing the field. The Colonnade is outfitted with the modern amenities necessary for seminars, conferences, weddings and private parties. Air conditioning, audio/visual connectivity, presentation screens, lighting, catering services, full bar, private restrooms and a private patio all complement this unique experience.
