

**Peoria Police Department  
with funding from  
The Governor's Office of Highway Safety**

**Bicycle Safety Rodeo  
Saturday, February 9<sup>th</sup>, 2013 9:00 AM-2:00 PM  
At the Peoria Sports Complex 16101 North 83<sup>rd</sup> Avenue**

This is a FREE event with activities for the entire family. The bicycle skills challenge (rodeo) is for kids ages 5-12.

This is a great opportunity for your business to engage the community and potential customers, while at the same time helping us to promote bike safety. With your help, we will be providing free bike helmets, food, inflatable bouncers, static displays, raffles, and different public safety demonstrations.

No merchandise will be allowed to be sold at the event; however promotional items may be distributed. If you want to set up a booth to promote your business and merchandise it would be our privilege to have you participate in this event. We would encourage you to bring a canopy, tables and chairs as our supplies are limited.

Our hope is that each business who is participating in this worthwhile event is able to donate a quality youth bicycle which will be raffled to a child during the event. However, if you are not in a position to do this we understand and would still love to have you participate. (All donations can be made through the Peoria Police Officers Association 501.c.3 account number 27-0681654.)
