

BUILDING PEORIA

Street Light Replacement Program

Sun Air Estates

Construction Hotline: (623) 773-7432

Phase 1 March 22, 2012 Phase 2 next fiscal year after July

Scheduled Improvements

As a result of deterioration and age, the City of Peoria will implement the replacement of street lights in Sun Air Estates. This will include the entire street light, the pole, arm, and fixture.

The City of Peoria's contractor will install new street lights next to the old ones. SRP's contractor will install the new J box next to new street light pole and connect the power; there should not be any interruption of lighting. Finally, the City's contractor will return to remove the old pole and clean up any left over dirt or debris.

When: March 22nd 2012 to April 20st 2012

Where: Sun Air Estates

Location: West of 95 Ave between Peoria Ave and Mountain View Rd

For more information about City projects call (623) 773-7212.
