ADULT SPORTS ~ ALCOHOL POLICY / AGREEMENT

The City of Peoria has strict policies governing the consumption and possession of alcohol in the Rio Vista/Pioneer Park complex and staff has gone to every reasonable measure to ensure these policies are communicated to each of you.

Policy dictates the following:

No affiliated team member (player, non-player or coach) may possess or consume alcoholic beverages from the start of their first game of the day to the conclusion of the final game to be played that day. This includes the time between games.

- No alcoholic beverage of any sort may be brought into Rio Vista/Pioneer Park Complex
- Staff reserves the right to inspect coolers, bags, cups, or any other container which may be used to conceal or contain alcohol.
- No alcoholic beverages purchased within the fenced area of the softball complex may be removed from that fenced in area.

Consumption of alcohol is not permitted in the parking area or any non-picnic area of the park. A picnic area is defined by a permanent shade structure and seating area. The picnic area inside the softball complex is excluded from this guideline.

The penalty for inappropriate alcoholic consumption varies with incident from game forfeiture to team expulsion and all degrees between. The City of Peoria owns and enforces the liquor license to Rio Vista Community Park and assumes all liability for actions affiliated with the consumption of alcohol on the premises. Therefore, the enforcement of these guidelines can no longer be constrained.

From this point forward all coolers and potential alcohol storage items will be inspected by staff aggressively to enforce park guidelines. If players and/or teams are found guilty of ignoring the guidelines there will no longer be a warning period and penalties will be enacted. Players bringing cans or bottles containing alcohol into the softball complex will be ejected immediately and considered for expulsion from the program.

While we are certain some of you will find enforcement of the guidelines objectionable, the fact remains that these policies have always existed and we have trusted the players in our program to comply accordingly. Regrettably, the actions of some players have created liability issues for the city and staff will perform its due diligence to protect the integrity of our program and the city's best interests.

Should you question any of my comments I am always available at 623-773-7186 or by email at franz.fuhrmann@peoriaaz.gov.
