

# WET-N-WILD PERMISSION SLIP

Dear Summer Rec Parents,

On **Thursday, June 12** we are offering a trip to Wet-N-Wild Water Park. Below is some important information regarding this trip. If you want your child to attend this trip, please sign the release below and return to the site staff by **Wednesday, June 11**.

**Your child will not be allowed to attend trip without your signature on this form.  
We cannot accept verbal permission for this trip.**

First of all, we recommend this trip for children age 8 and older. If you are not comfortable with your child around water, or their swimming abilities, it would be best to have them remain on site this day. We will have activities on site for them. If you choose to allow your younger child to attend we will assign your child along other children to a specific leader for the day. These participants (up to 20) will remain with this staff person for the duration of the trip. The staff will go over the items below with the children prior to leaving on the trip and throughout the week. Please also review these items with them.

- 1. Departure/ Return time: Arrive at site by 8:45am. We hope to return around 3:00pm.**
- 2. Lunch will be served between 12:00-1:30pm. Announcements will be made for each school a few times. Make sure your child knows the name of the school that they are attending. Remind them to GO EAT! They need to check in with staff when they get to lunch.**
- 3. The importance of sunscreen application and re-application, drinking water in order to avoid dehydration. Spray Sunscreen works best for re-application. Staff can only apply lotion sunscreen to a child's back.**
- 4. Tell your children to listen for announcements for lunch and departure.**
- 5. A leader is always stationed at the home base area.**
- 6. Those 9 years and up are assigned to a buddy and must remain with buddy throughout the day. All participants will be told to go to their home base area if they lose their buddy.**
- 7. All staff have on their blue or red Peoria staff shirts and children can ask for help from any of them.**
- 8. Shuttle home: STARTING AT 3:05, today only. Shuttle drop-off should be between 3:15 & 3:30**

The bus will depart from the site no later than 9:20am and will return approximately 3:05pm. The children will be served a lunch (hamburger/chips/drink) at Wet-N-Wild between the times of 12:00 and 1:30pm. Staff will check off children as they go through the line. Cost for lunch is included in the trip price. Each site will designate a meeting place (home base) where a staff person will remain with towels, bags etc. We strongly suggest that you apply sunscreen before your child arrives at site. A leader will help apply sunscreen to the child's back, if the participant brings it along and asks for assistance.

We have the following safety features in place:

- A staff person will be stationed at the exit gate throughout the day
- We will maintain a staff ratio of 1 leader to 20 participants for participants 8 years & younger
- **Participants 8 years and under will need to stay with a staff person at all times.**
- Cups and coolers with water will be provided on all buses.
- The meeting place will be marked with a large sign
- All Rec participants will wear wristbands that have City of Peoria information.

We want your child to have a fun and a safe experience at Wet-N-Wild. Parents, you are more than welcome to meet us at Wet-N-Wild and spend the day with us. If you have any other suggestions or comments please feel free to contact Kathleen Kresl at 623-773-7108.
