

CHAPTER 6 - CABLE COMMUNICATION SYSTEMS

Sec. 6-28. Required services and facilities.

(a) A License shall include a description of proposed Cable System design and a description of the initial programming and Cable Services to be offered, a description of facilities proposed for local programming, and facilities to be offered to various community institutions.

(b) A Licensee shall maintain the mix, level and quality of programming within the broad categories of video programming or other services set forth in its License. Where there has been a substantial failure to maintain the mix, level or quality of services within the broad categories of video programming or other services as set forth in the Licensee's License, the City may, following due notice and public hearing as provided in Sections 6-86 and 6-87, direct the Licensee to comply with its obligations in this regard. Written notice of such hearing shall be provided to the Licensee and to the public at least thirty (30) days prior to such hearing.

(c) A License shall include a provision for the Licensee to provide channel capacity for community programming on terms and conditions specified in the License.
