

## CHAPTER 6 - CABLE COMMUNICATION SYSTEMS

### Sec. 6-54. Changes required by public improvements.

The Licensee shall from time to time protect, support, temporarily dislocate, temporarily or permanently as may be required, remove or relocate, without expense to the City any facilities installed, used or maintained under the License, if and when made necessary by any lawful change of grade, alignment, or width of any Street, by the City or made necessary by any other public improvement or alteration in, under, on, upon or about any Street, when such public improvement or alteration is at the instance of the City, when such improvement or alteration is for a governmental or proprietary function, or made necessary by traffic conditions, public safety, Street vacation or any other public project or purpose of City, and when the Licensee has substantially the same obligations with respect to the cost thereof as all other users of the public rights-of-way.
