

## CHAPTER 18 – PARKS AND RECREATION

### Sec. 18-2. Community Services Department; division managers.

Each division within the Department of Community Services shall be headed by a division manager. Each division manager shall be recommended by the Director of Community Services for appointment to the City Manager. The position of division manager shall be a classified position subject to the City merit system. The position of division manager may be filled by designating an incumbent in another position in the division to perform the duties of division manager.
