

## CHAPTER 20 – PLANNING AND DEVELOPMENT

Sec. 20-206. Floodplain management; non-prohibited construction.

Written authorization shall not be required nor shall the City prohibit:

(1) The construction of bridges, culverts, dikes, and other structures necessary to the construction of public highways, roads, and streets intersecting or crossing a watercourse.

(2) The construction of storage dams for watering livestock or wildlife structures on banks of a creek, stream, river, wash, arroyo or other watercourses to prevent erosion of or damage to adjoining land, or dams for the conservation of floodwaters as permitted by Title 45, Chapter 3, Arizona Revised Statutes.

(3) Construction of tailing dams and waste disposal areas for use in connection with mining and metallurgical operations.

(Ord. No. 98-102, 9/22/98, enacted)
