

CHAPTER 23 – STREETS, SIDEWALKS AND PUBLIC IMPROVEMENTS

Sec. 23-4. Engineering Department; establishment.

There shall be an Engineering Department. The Director of the Engineering Department shall be appointed by the City Manager, and confirmed by the City Council. The position shall be an unclassified position and shall serve at the pleasure and will of the City Manager and not subject to the City merit system.

The Engineering Department shall consist of three divisions; Right of Way Inspections, Capital Improvement Management, and Traffic Engineering.

The City Manager shall promulgate a position classification plan for the Engineering Department. The plan shall establish specific positions assigned to ranges and steps within the City's pay plan. The promulgation of a position classification plan shall not create any obligation upon the City Council to appropriate funds for any position with the plan.
