

CHAPTER 23 – STREETS, SIDEWALKS AND PUBLIC IMPROVEMENTS

Sec. 23-3. Engineering; superintendent of streets, city engineer; designation.

(a) The Director of Engineering shall hold the additional office of Superintendent of Streets, and perform all duties and exercise all rights thereto, as an addition and not a limitation to the duties established in Chapter 2 of this code.

(b) The Director of Engineering shall be designated as and have all the duties and powers of the City Engineer as set forth in state law and under the Peoria City Charter and this Code.
