

CHAPTER 23 – STREETS, SIDEWALKS AND PUBLIC IMPROVEMENTS

Sec. 23-50. Standard specifications for public works.

(a) The Uniform Standard Specifications for Public Works Construction from the Maricopa Association of Governments, as amended are adopted by reference. Three copies of the Uniform Standard Specifications for Public Works and their adopted amendments shall be on file with the city clerk, city attorney and engineering department respectively for public inspection.

(b) The transportation element of the Peoria Comprehensive Master Plan, as amended shall be adopted as additional standard specifications for public improvement projects. Three copies of the Comprehensive Master Plan shall be on file with the city clerk, city attorney and engineering department respectively for public inspection.

(c) The City Manager or his designee may promulgate standards and guidelines for interpretation of standard specifications. Three copies of the standards and guidelines shall be on file with the city clerk, city attorney and engineering department respectively for public inspection.

Charter reference(s) -- Adoption by reference, art. VII, §14.

State law reference(s) -- Adoption by reference, A.R.S. § 9-801 et seq.

(Code 1977, §§8-5-1)

(Ord. No. 97-38, 7/15/97, renumbered from Sec. 5-5 and reenacted)

(Ord. No. 02-41, 6/7/02, amended) SUPP 2002-2
